4.2 If your organisation would like to provide additional information relating to gender equality indicator 3, please do so below:

Gender equality indicator 4: Flexible working and support for employees with family and caring responsibilities

This indicator will enable the collection and use of information from relevant employers about the availability and utility of employment terms, conditions and practices relating to flexible working arrangements for employees and to working arrangements supporting employees with family or caring responsibilities. One aim of this indicator is to improve the capacity of women and men to combine paid work and family or caring responsibilities through such arrangements. The achievement of this goal is fundamental to gender equality and to maximising Australia's skilled workforce.

5. A "PRIMARY CARER" is the member of a couple or a single carer, REGARDLESS OF GENDER, identified as having greater responsibility for the day-to-day care of a child.

Do you provide EMPLOYER FUNDED paid parental leave for PRIMARY CARERS that is available for women AND men, in addition to any government funded parental leave scheme for primary carers?

- Yes. (Please indicate how employer funded paid parental leave is provided to the primary carer):
- By paying the gap between the employee's salary and the government's paid parental leave scheme
 - By paying the employee's full salary (in addition to the government's paid scheme), regardless of the period of time over which it is paid. For example, full pay for 12 weeks or half pay for 24 weeks
 - As a lump sum payment (paid pre- or post- parental leave, or a combination)
- No, we offer paid parental leave for primary carers that is available to women ONLY (e.g. maternity leave). (Please indicate how employer funded paid parental leave is provided to women ONLY):
- By paying the gap between the employee's salary and the government's paid parental leave scheme
 - By paying the employee's full salary (in addition to the government's paid scheme), regardless of the period of time over which it is

Gender composition proportions in your workplace

Important notes:

1. Proportions are based on the data contained in your workplace profile and reporting questionnaire.
2. Some proportion calculations will not display until you press **Submit** at step 6 on the reporting page in the portal. When your CEO signs off the report prior to it being submitted, it is on the basis that the proportions will only reflect the data contained in the report.
3. If any changes are made to your report after it has been submitted, the proportions calculations will be refreshed and reflect the changes after you have pressed **Re-submit** at step 6 on the reporting page.

Based upon your workplace profile and reporting questionnaire responses:

Gender composition of workforce

1. the gender composition of your workforce overall is 72.5% females and 27.5% males.
